# RADIO INFORMATION/STAYING IN PITTSBURGH

The 2004-05 academic year marks the beginning of the University of Pittsburgh's new radio partnership with Clear Channel Communications. The long-term agreement will promote Panthers' Athletics on FM NewsTalk 104.7 (WPGB-FM) and Fox Sports Radio 970 (WBGG-AM).

"This partnership with the United States' largest radio operator is a visible sign of the strength of our athletic program and a signal we have tremendous growth potential," Pittsburgh athletic director Jeff Long said. "The Clear Channel Communications family of stations in

Pittsburgh will provide unprecedented exposure in our city and region."

"We are very excited about this opportunity to combine the University of Pittsburgh's top-ranked programs and rich sports heritage with Clear Channel's extensive media and sports platform for unprecedented

market penetration and promotional opportunities," Clear Channel Regional vice president John Rohm said. "In addition to the play-by-play, we'll broadcast a wide variety of previously unavailable ancillary programming."

Clear Channel is the largest operator of radio stations in the United States with more than 1,200 stations coast-to-coast. In addition to WBGG and WPGB, Clear Channel's Pittsburgh family of stations includes WDVE-FM (102.5), WKST-FM (96.1), WWSW-FM (94.5) and WXDX-FM (105.9).
